

# Multi-Trans Degreaser

## DESCRIPTION

MULTI-TRANS DEGREASER is a powerful solvent-free engine degreaser that breaks down and dissolves grease, oil and road grime. Multi-Trans Degreaser is a solvent free, water based formula offering better health and safety for you and the environment.

MULTI-TRANS DEGREASER is suitable for cleaning of all heavy transport equipment and can also be used as a general purpose cleaner for floors, external walls and driveways etc. Being water based, it has the ability to lift off oil, grease and grime that has sunk into concrete floors and driveways.

APPLICATION: Generously spray engine, floors, external walls, driveways etc. Allow soaking for several minutes. Pressure rinse for best results.

Typical Characteristics	
Appearance	Fluorescent yellow liquid
Odour	None
Flammability Class	Not flammable
Solubility	Soluble in water
Alkalinity pH (Neat)	10.5-11.2
