#U5469 Used 2012 CAT 305.5E Excavator U5469

tdxltd.co.nz/used/592

Includes: Hydraulic quick hitch, tilt bucket, rock and spade buckets. Tilt bucket would do with having a new floor. Aesthetically has some minor panel damage and could do with a general tidy up, however, operates well and is a very good option for a low priced 5.5t class machine for casual-medium use. Hour meter is broken but based on play in the pins we suspect this machine to be 4,000-4,500 hours. It was not a high use machine in its previous life.
